

Snapshot of our Week

Camp YMCA at Rider

Directors' Corner

It's been another fantastic week at the YMCA Summer Camp! Although we endured lots of rain our campers still made it outdoors to enjoy some sunshine.

Week :6 Team Spirit

Next week our campers will show their team spirit and participate in Color Wars challenges against other groups. Campers will work on team building and sportsmanship

Check out the lost and found for missing items. It is located near the office.

Pathfinders & LITs

This week the Pathfinders and LITs travelled around the word! They began the week creating Native American dreamcatchers, and ended the week creating and enjoying candy sushi! The fun was multiplied on Tuesday during their bowling and laser tag field trip.

Explorers

This week the Explorers learned about new cultures during arts and crafts! They also tried lacrosse for the first time this summer. It was a hit! In preparation for Spirit week they tie-dyed socks to wear during their color wars activities.
